

Maritime Standards

Request to access information held by Maritime New Zealand (MSF102)

This form is to be completed by vessel operators to authorise their recognised surveyor and associated staff to access, update and upload vessel information on the Maritime New Zealand database.

Complete, sign, date and return this form to operators@maritimenz.govt.nz if you wish to authorise your recognised surveyor and their staff.

If more than one surveyor requires access please specify the dates for each surveyor in the space provided. **Please note that our system only allows access for one surveyor at a time.**
